

Digital & Online Projects

When we asked ourselves what Akimbo could do to support our client galleries and arts organizations during their closures or program cancellations due to COVID-19, we came up with a list of ways, you can run your #galleryathome

Galleries, art spaces and artist run centres can explore options such as:

1. Live streaming artist talks
2. Virtually interviewing artists through Instagram or Facebook Live
3. Giving virtual tours of exhibitions
4. Virtual curator walk throughs
5. Creating digital calls for submission for online spaces
6. Transferring exhibitions on to online platforms if they were due to open in the next month
7. Panel talks can exist on Zoom Sharing and be posted on social media

Here are some resources on how you can digitally produce and showcase content:
